The Bristol Mum Festival – Celebrating 60 Years of Community, Family Fun and Entertainment

Our Story

Well, it's that time of the year again and The Bristol Mum Festival Committee is reaching out to ask for your support and help in raising money to put on our celebrated Annual Mum Festival. This year our festival reaches a milestone, as we celebrate 60 years of Mum Festival! So, we want to make this year a very special event, which will include the return of the Mum Festival Gala!

You may or may not know that several years ago, this time-honored tradition of 60 years, almost ended abruptly when the previous festival committee at the time decided to step away. One reason was a lack of volunteers, and the other was city financing.

Not wanting to see such a time-honored tradition end, The Exchange Club of Bristol CT (a 501c3 community volunteer organization) was approached by the city to consider saving the festival. As part of the overall Festival, The Exchange Club had successfully produced and directed the Mum Parade for over 50 years for the city, so we were asked to consider taking on the production of the entire Mum Festival. The City had fully funded the Mum Parade over the years, which allowed the Exchange Club to do their part in directing it. As you can well imagine, producing and directing the parade was a huge endeavor in and of itself. So, taking on the entire Mum Festival would be no small task. The Exchange Club proposed this to their Board of Directors, and they agreed under the condition that the City also take on a main sponsorship role.

The City, through the Board of Finance and total support of the Mayor's Office and the City Council, agreed to contribute to the operational costs of their Marquee Event, the Mum Festival with the understanding that the Bristol Exchange Club would raise the additional funds necessary. And so, the festival was saved through a combination of City support, community volunteer members of a newly formed Mum Festival committee under the auspices of the Board of Directors of the Exchange Club of Bristol and the much-needed community support from organizations like yours!

The results have been clear... Bristol has a rejuvenated marquee community-focused event that we can all be proud of!

Your Help Is Needed

With a lot of hard work, The Mum Festival has been restored to its glory days, of two full weekends. The "Mum Season of Events" includes community focused activities and entertainment, an amazing festival weekend complete with the Miss Mum Pageant and of course the famous Mum Festival parade and is enjoyed by well over 25,000 people from Bristol and beyond. There is truly something for everyone.

Moreover, the Festival not only provides for a wonderful quality of life for our city, we are very proud to say, that 95% of the costs of the Festival are spent at local/area businesses and supporting local organizations.

That is where you come in!

To continue producing this awesome event, we need your help as we set out to raise the additional funds needed to produce the festival. We are extremely grateful for the grant that the City of Bristol provides, however it only covers a third of the festival's total expenses.

We have heard from so many local businesses that have benefited greatly from the festival over-all. With this in mind, we are now asking for your financial or "Gifts-In-Kind support as we launch the 2022 Mum Festival!
